- Warranted being against defective manufacture, the liability of the company under this warranty is limited to making good, defects arising only from defective workmanship or the use of faulty material. Consequential liability will not be entertained.
- The warranty commences from the date of billing from AMCO Company or from AMCO dealer to the original buyer.
- The electrolyte used should conform to IS 266 and distilled water to IS 1069.
- Recharging is not covered under the purview of this warranty and this will be billed as extra.
- The liability under this warranty will cease on the transfer of the battery to any party other than the original buyer other than that on which the battery was originally fitted and on the expiry of the warranty period.
- Claim should be made through the dealer from whom the battery was purchased or from the nearest AMCO dealer, duly producing warranty card and cash memo.
- **The serial no & Mfg. code on the battery should match with Sl.no & Mfg.Code on the warranty card in order to consider the claim under warranty for adjustment.**
- In case of any abnormally noticed on battery failures then in such cases the system to which the battery fitted will be inspected to ascertain the cause of failure by company officials.
- The battery should be returned unopened and complete with electrolyte "freight paid" to the nearest AMCO service outlet. In all claim, the company's decision will be final and legally binding.
- If the defects are due to faulty or spurious electrical system, negligent maintenance, incorrect charging or improper handling and servicing of the battery, then the warranty is nullified.

- **Deep discharging or continuous bulging due to excess heat or over charging then the warranty will become null and void.**
- Battery used for any other application, than the specified ones will not carry warranty.
- If the containers, covers or parts damaged due to negligent maintenance or tampering or if these are destroyed in an accident such as fire, wreckage or explosion, then the warranty becomes void.
- **Incase the battery is replaced, the defective battery being replaced will become the property of the company and no scrap rebate will be given for it.**
- **The warranty period on the battery being repaired or replaced on free of cost shall commence from the date of sale of the original battery as stated in the original warranty card and not from the day it is repaired or replaced.**
- Octroi duty or local taxes if any becomes liable for the battery under repair or replacement shall be borne by the customer.
- Recharging is not covered under the purview of this warranty and will be charged extra.
- In case of any requirement of any assistance, customers are requested to contact the nearest office of AMCO Batteries Limited or AMCO Authorized Dealer.
- Customers are deemed to have read, understood and agreed to these conditions at the time of purchase.
- This warranty is issued subject to the jurisdiction of civil courts of Chennai.
- The right to determine whether or not a battery needs repair or replacement will rest with the company.
- Initial filling charging for replacement under warranty will be charged as extra.
